Dear Mr. Steve Short,

This is a public records request for the items listed below:

1. A copy of records showing the expenses incurred by the Mount Vernon City School District for the state administrative hearing regarding John Freshwater.
2. A copy of records showing the expenses incurred, if any, by the Mount Vernon City School District defending itself in the Knox County Court of Common Pleas case John Freshwater v. Mount Vernon City School District Board of Education.
3. A copy of records showing the expenses incurred, if any, by the Mount Vernon City School District defending against the following two federal lawsuits: Doe v. Mount Vernon Board of Education et al. and Freshwater v. Mount Vernon Board of Education et al.

Please note that I'm only seeking records of those expenses that the Mount Vernon City School District was or is responsible for paying, not those expenses covered by the district's insurance.

Sincerely,
