Terry Streby,

This is a public records request for a copy of the press release sent to “the local media and the Columbus Dispatch” following the completion of the state administration hearing in January 2011.

If the document is not available via e-mail attachment, what hours could I stop by the district office to pick it up?

If no such document exists, please reply and let me know.

Sincerely,

Sam Stickle

Dr. Margie Bennett,

Thanks for replying. I understand that e-mails sometimes get lost.

I hadn't seen the particular press release you mentioned—I'll request a copy of it. (I had been quoting from a copy of the settlement.)

Thanks again,

Sam Stickle
